

JUST IN

Fun, fine, one-of-a-kind gifts for the young - and the youthful!

✦ Written by award-winning author and culinary activist Lynn Orgrzydo, **The Ontario Table** is a full colour cookbook and resource guide that introduces consumers to local growers. It features over 100 delicious recipes from across the province, and includes VQA wine pairings. **\$29.99**

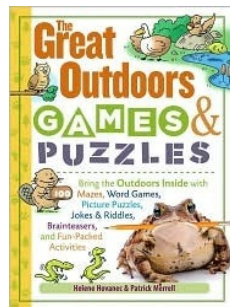

Lynn believes that eating local is the best investment you can make in your health, your community, and in Ontario's welfare. In the book, she challenges every household in Ontario to spend just \$10 of their grocery budget on local food each week. That, in turn, would contribute a whopping \$2.4 billion dollars into the agricultural economy each year. A worthy goal indeed!
