FROM CANADA, WITH LOVE

Do you have holiday packages destined for Europe and the Caribbean? If you want to send them by surface parcel, the most economical way, best you get packing! To ensure delivery for Christmas, Canada Post suggests you mail them by October 25, sooner for the land down under (Oct.18), and later for the USA (Dec. 8).

With that in mind, here's a collection of lightweight, non-breakable, Canadian-themed goodies that will appeal to a wide range of ages, tastes, and budgets.

The Canadiana Collection of wool mittens and pilot hats from Delux sport the maple leaf. Cool products to keep you warm, wherever you live! **\$21.99 - \$24.99**

 With **Canada Counts**, **Charles Pachter** has written another love letter to our country. New artwork illustrates numbers from 1 to 20, as well as other important Canadian numbers such as 1867 and 1982. There may be 1 walking boy, but there are 3 territories, 4 seasons, and 9 Supreme Court justices. **\$20.99**

Published with the The Thomson Collection at the Art Gallery of Ontario, this bilingual **2012 wall calendar** features full-colour reproductions of 12 paintings by **Tom Thomson and the Group of Seven**. Opens to 12" x 26". **\$16.99**

 The folks at **Basic Spirit** love to create products in their Pugwash, Nova Scotia studio that touch the heart, delight the spirit, and help to make the world a better place. 10% of the profits from the sale of their **handcrafted pewter tree ornaments** support a number of worthy projects like animal welfare, breast cancer research, ending hunger, build-a-school and plant-a-tree. Here's a product that looks good, feels good, does good – you can't get much better than that! **\$9.99**

 And their **pewter coins** are the perfect little way to offer a wish or express a sentiment. Choose from a wide assortment of tokens that include joy, protection, good luck, healing, believe, and follow your heart. **\$1.99**

Handpicked and heartfelt by yours truly,

Charlee + Jude
