WHIMSICAL, WONDERFUL, WARM AND WITTY – THAT'S WALLACE

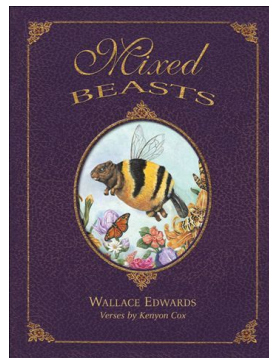

Award-winning **Wallace Edwards** has gained an international reputation for his rich and quirky depictions of animals both real and fantastic. Each book is a visionary 'art gallery' you can hold in your hand, bearing many hidden delights on repeat viewings. From a mind-bending animal ABC book to a surreal Big Top tour, Wallace's creations enrich and amuse readers young and old. *Kids Can Press*

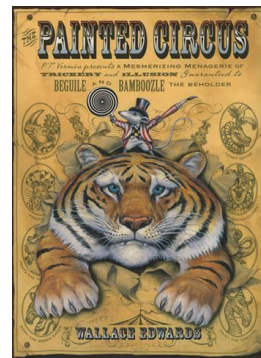

He is clearly passionate about animals – the ones around him, but also the ones he draws. His illustrations don't condescend to children, they engage the imagination on multiple levels, blending childhood whimsy with adult sophistication. *Quill & Quire*

**The Cat's Pajamas** depicts 26 idioms, bringing new meaning to familiar sayings and tickling your funny bone with a surreal illustration on each page. To ensure you get the hang of it, each expression is used in a sentence and explained at the back of the book. A gorgeously illustrated eyespy book and a unique introduction to idioms, this book is truly the cat's meow.

Prepare to be amazed by a collection of beasts such as the world has never seen. Readers possessing a sharp eye and an inquisitive nature will be rewarded with exotic flora and fauna hidden in each remarkable painting. So delay not, seekers of the strange and undiscovered. Step into the world of **Mixed Beasts!**

**The Painted Circus** is a showstopper of a book! P.T. Vermin, ringmousse extraordinaire, ushers patrons into the Big Top to behold 22 astonishing stunts, each featuring an eye-opening optical illusion. A work of art that will leave readers spellbound by the power of perception and the magic of the imagination.

You can meet Wallace here this Saturday, December 10, between 12 - 12:30. We will have these 3 books available for sale, and signing.

Then treat yourself - and your little ones - to the live sketch demonstration in the Gallery Perth Atrium (Code's Mill) following the book signing. It's sure to be more fun than a barrel of monkeys!
